EDUCATION

University of California, Berkeley

2017-2019

Pursuing a B.A Political Economy with a concentration in Technology

Berkeley City College

2015-2017

General Education Requirements

WORK EXPERIENCE

Business Development Intern

Fall 2018

Change Research

I conducted research to help spur sales and business development efforts, in addition to researching local, statewide and national issues. I also created and maintained media databases, along with content geared towards social media

Real Estate Intern

Spring 2016

City of Berkeley, Office of Economic Development

I conducted quantitative and qualitative research on Berkeley's commercial space availability, and its future implications on Berkeley's economic profile

Qualitative Research Intern

Summer 2016

BRAC

I conducted qualitative, observational research on classroom dynamics between students and teachers within BRAC primary schools in Dhaka, Bangladesh

Intern

Summer 2014

Grameen Bank

I conducted research on the effectiveness of microcredit, and to what extent micro-credit impacts economic development. This involved conducting surveys in rural villages of Bangladesh

SKILLS

Languages

Bengali (mother tongue)

Skills

Microsoft Office, InDesign, Adobe Photoshop, Logic Pro

EXTRACURRICULARS

Drummer, Music Producer, and Black Belt in Wadokai
